

The Perfect Coffee Company

Company Profile

Tanzania & Zanzibar

The Perfect Coffee Company Ltd was established in Zanzibar in 2011, by two coffee-passionate Entrepreneurs. The Company is also incorporated in Tanzania Mainland.

Our mission is to provide the best coffee making equipment, coffees, products and skills to the Hospitality Industry. We enable Hotels, Restaurants and Bars to satisfy their guests with perfect world-class coffees and to make profit with every cup. We offer turn-key solutions for all kind of customers, from small Guesthouses to large-scale international hotels.

Started as pioneers in East Africa, we are proud to be the market leader today. Our branches cover Tanzania and our growing distribution network the East African countries. The core benefits for our customers are our excellent products, our delivery system, our rapid-response technicians, reliable stock and our comprehensive service with a smile!

Our Research + Development team is constantly working to provide better and new products for East African and international consumers, to guarantee maximum satisfaction and growing coffee sales.

We carry 'Perfect' in our name because we are the perfect coffee business partner, we offer perfect products and perfect service. We are confident to earn your trust and to make your coffee business a growing profit center, cup by cup.

Thank you for your time and interest in The Perfect Coffee Company.
